**mastercard  
foundation**

*Mastercard Foundation is a global foundation based in Toronto, Canada. Our programs promote financial inclusion and advance youth learning in Africa. The Foundation was established in 2006 through the generosity of Mastercard when it became a public company. The Foundation values innovative and fresh thinking as it strives to become a global thought leader. Its work is achieved by a strategic, nimble and adaptable team with a proactive and results-oriented approach to its philanthropic activities. The organization's culture is shaped by people who are driven and passionate about the Foundation's mission.*

**Mastercard Foundation** is seeking to add two Senior Legal Counsel to its innovative and growing team. These are excellent opportunities to join an organization focused on positive change and an exciting time to join the organization as they scale up operations.

### **Senior Legal Counsel – Charity Law**

This is a rare opportunity to be involved in advising on charity law and tax matters across the Foundation and provide advice on new programs and funding proposals. The ideal candidate will have **at least 10 years** of experience with complex charity law matters and, ideally, exposure to cross-border matters. This is an exciting role for a candidate with strong leadership and communication skills, and the desire to drive change, to be involved in sophisticated and varied work.

### **Senior Legal Counsel – Commercial**

This is an exceptional opportunity for an experienced commercial lawyer to take on a role where you can make an impact and be involved in global projects. The successful candidate will be involved in giving strategic legal advice across commercial, operational, and program matters. The ideal candidate will have **at least 10 years** of experience drafting and negotiating commercial and technology agreements and a strong understanding of IP and privacy matters. This role will suit an entrepreneurial lawyer with the demonstrated ability to build positive relationships both internally and externally.
